Third Party Liability. Every person on Glendining's premises at any time shall be deemed to be there at his or her risk. He or she shall have no claim against Glendining's in respect of any accident which may occur or injury, damage or loss howsoever caused, save insofar as the injury, damage or loss shall be caused by the direct negligence of Glendining's employees.

GENERAL CONDITIONS OF SALE

Definitions In these Conditions Glendining's, who act only as auctioneers and agents for the vendor, are called "the Auctioneers", and the representative of Glendining's conducting the auction is called "The Auctioneer".

1 General

- a) All sales made by Glendining's, both by auction and private treaty, are subject to the law of the country in which the sale takes place. For the avoidance of doubt, all sales in England are subject to English law and any litigation will be dealt with through English courts.
- b) Unless stated otherwise on this form, the vendor warrants to Glendining's that he possesses a marketable title free from encumbrances in all goods which he instructs Glendining's to sell and is deemed to instruct Glendining's as an individual on his/her own behalf. The vendor warrants that all lots offered for sale by Glendining's on his/her behalf will be available to Glendining's at such a time as Glendining's shall require and in respect of any imported lots, all necessary exportation and importation documentation has been completed and all necessary duties and taxes have been paid by the vendor.

2 Catalogues

Whilst Glendining's make every effort to ensure the accuracy of their catalogue and the description of any lot:-

- a) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of descriptions.
- b) Glendining's do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition or quality of any lot.
- c) All statements, whether printed in the catalogue or made orally, as to any of the matters set out in b) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Glendining's.

3 Copyright

- a) The text of all Glendining's catalogues is subject to Glendining's copyright and must not be reproduced in any form nor entered into a retrieval system except by Glendining's express written consent.
- b) The vendor authorises Glendining's to commission and publish in its catalogues photographs or illustrations of his objects so far as Glendining's in their absolute discretion think advisable. The cost of such photographs or illustrations shall (unless otherwise agreed) be payable by the vendor but copyright therein shall vest in Glendining's whose use of such photographs or illustrations shall not be limited to the purpose of sale.
- c) Where the vendor himself provides photographs or illustrations for publication in catalogues, Glendining's use of them shall be restricted to the purpose of sale; the vendor shall further be deemed (i) to warrant to Glendining's that the use of such illustrations or photographs is authorised by the copyright owner (if any) thereof and (ii) to indemnify Glendining's against any claim or costs arising from the wrongful or allegedly wrongful use by Glendining's thereof.

4 The Auction

- a) The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lot or lots from the sale, to refuse bids and regulate bidding without in any case giving any reason or without previous notice. He alone may bid on behalf of the vendor for all goods which are being offered subject to reserve or at the Auctioneer's discretion. The vendor authorises Glendining's to accept telephone and commission bids and to act in accordance with those notwithstanding the fact that the bidder may be unknown to Glendining's or the auctioneer.
- b) The highest bidder shall be the buyer. The Auctioneer may at his sole discretion determine the advance of bidding or refuse a bid. If during the auction the Auctioneer considers that a dispute has arisen, he has absolute discretion to settle it or to re-offer the lot.
- c) Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the vendor has the right to bid either personally or by any one person (who may be the Auctioneer).

- d) All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the Auctioneer from the rostrum prior to any bid being accepted for the lot.

- 5 **Private Treaty Sales** If a lot does not sell at auction, the vendor authorises Glendining's as his/her sole agent to accept any offer for a private treaty sale of the lot at such an amount as will produce net proceeds to the vendor at least equal to the amount that would have been received by the vendor (after deduction of Glendining's charges) had the lot sold at auction at the reserve set by the vendor. Glendining's shall be authorised to enter into such a private treaty sale on behalf of the vendor at any time until Glendining's receives written instructions from the vendor to return the lot to him/her and such private treaty sales shall be subject to these Terms and Conditions of Sale so far as they are appropriate.

- 6 **Premium** The buyer shall pay the hammer price adjusted for VAT as necessary. The buyer shall pay Glendining's a premium of 10% of the hammer price and this shall be subject to VAT at the appropriate rate and is payable by all buyers. The vendor acknowledges Glendining's right to retain this premium which shall also apply in the case of private treaty sales.

- 7 **Rescission** Notwithstanding any other terms of these Conditions, if within fourteen days after the sale Glendining's have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within twenty-one days after such notification the buyer returns the same to Glendining's in the same condition as at the time of sale and by producing evidence, the burden of proof to be upon the buyer, satisfies Glendining's that considered in the light of the entry in the catalogue the lot is a deliberate forgery, then the sale of the lot will be rescinded and the purchase price of the same refunded. The vendor agrees to be bound by Glendining's decision and agrees to refund any amounts received by them from Glendining's in respect of that lot. In the case of any misdescription by the vendor or where a lot is shown to be a deliberate forgery Glendining's shall not be liable to the vendor for any loss arising from the rescission of a contract for sale.

- 8 **Default** Glendining's disclaim responsibility for default by either the buyer or the buyer or the vendor because they act as Auctioneers only and therefore do not pay out to the vendor before payment is received from the buyer. Instructions given by telephone are accepted at the sender's risk and must be confirmed in writing forthwith.

- 9 **Third Party Liability** Every person on Glendining's premises at any time shall be deemed to be there at his own risk. He shall have no claim against Glendining's in respect of any accident which may occur or injury, damage or loss howsoever caused, save in so far as the injury, damage or loss shall be caused by the negligence of Glendining's employees.

VENDORS CONDITIONS

- 10 **Instructions** As Glendining's are auctioneers, all goods delivered to Glendining's premises for sale will be deemed to be delivered for sale by auction unless otherwise stated in writing and will be catalogued and sold at Glendining's discretion and accepted by Glendining's subject to all the sale conditions. Glendining's may at its absolute discretion decline to offer for sale any of the items submitted by the vendor if Glendining's feel that there is no suitable sale in which those items may be included. In such a case the items will be returned to and accepted by the vendors at the vendor's cost. By delivering the goods to Glendining's for inclusion in their auction sales each vendor acknowledges that he or she has accepted and agreed to be bound by all these Conditions.

- 11 **Condition of Items for Sale** Unless he has advised Glendining's to the contrary before the lot is catalogued by Glendining's staff, the vendor warrants in respect of any item of mechanical or electrical equipment that is (a) in working order; (b) reasonably fit for the purpose for which it is designed or adapted; (c) that it can be so used safely and without risk of causing injury or damage and (d) that it complies with any British Standard statutory requirement or code of practice currently in force in relation to the design or construction of such equipment. Notwithstanding the said warranty Glendining's reserve the right to refuse to offer for sale any item of mechanical or electrical equipment which in their opinion does not conform to these requirements.

- 12 Collections and returns** Glendining's do not themselves undertake the collection or return of goods but will, if requested in writing, instruct a contractor on the vendor's behalf in their capacity as agents of the vendor. Glendining's disclaim all responsibility for loss or damage to goods or for unauthorised removal of goods or for unauthorised removal of goods and for damage to premises caused by the contractor who should be insured for such risks.
- 13 Loss or Damage** Glendining's disclaim all responsibility for loss or damage to goods or for unauthorised removal of goods unless caused by the negligence of their employees or agents, in which event Glendining's liability shall be limited to the amount calculated in clause 16(a) below.
- 14 Storage**
- Glendining's reserve the right to charge for the storage on their own premises or elsewhere of goods delivered to them for sale and which have been withdrawn from sale by the vendor and will make a minimum charge of £2 plus VAT per lot per day for such storage. This charge shall be made at Glendining's sole discretion.
 - Where goods are submitted to Glendining's otherwise than pursuant to a formally documented contract for sale by auction or for valuation they will be stored entirely at the owner's risk and a minimum charge of £2 per lot per day plus VAT will be made to the owner.
 - Vendors will also be charged at the above rate for the storage of goods left on the premises if, the vendor having been requested by Glendining's to remove them for whatever reason, the goods are not so removed within seven days.
- 15 Right to Sell** If goods are not removed within seven days of a request from Glendining's that they be so. Glendining's reserve the right to sell the goods to defray all amounts due from the vendor including storage charges.
- 16 Insurance**
- Unless otherwise instructed in writing all goods on Glendining's premises and in their custody will be held insured against the risks of fire, burglary, water damage and accidental breakage or accidental damage. Glendining's, the Auctioneer and the Insurers shall not be responsible for damage to picture frames or picture frame glass or for the damage arising therefrom or for damage caused by woodworm or changes in atmospheric conditions. For arranging this insurance Glendining's will charge 10p for each £10 or part of £10 of the value insured with a minimum charge of £2. The value of the goods so covered shall be the net amount realised where items have been sold and in all other cases that value which the specialised staff of Glendining's shall in the absolute discretion estimate to be the auction value of such goods net of any charges payable after auction.
 - Where the owner has given written instructions that items are not to be covered by Glendining's insurance, Glendining's shall not be responsible for damage to or the loss, theft or destruction of any goods not so insured. In such circumstances the vendor shall indemnify Glendining's, its staff and agents against all claims made in respect of those items even where such claims result from negligence. The vendor undertakes to notify his/her insurer of such indemnity and to reimburse Glendining's with any costs arising from such claims.
 - In respect of any article delivered to Glendining's, if the vendor has in force a policy or policies of insurance in which the article is specifically mentioned as being insured, whether or not for an agreed sum or value, the vendor shall notify his insurers of and shall himself note Glendining's interest as bailees in such policy or policies.
- 17 Reserves**
- All goods are put up for sale WITHOUT RESERVE unless instructions (preferably in writing) as to reserve are received by the Auctioneer prior to the commencement of the sale, it being the responsibility of the vendor to ensure that the Auctioneer receives such instructions. Unless otherwise stated all reserves shall be in sterling. Any reserves set in any currency other than sterling shall be converted into sterling using the exchange rate at the close of business on the day before the sale as quoted to Glendining's by the National Westminster Bank plc. The vendor shall accept Glendining's confirmation in writing as sufficient proof of such rate. All reserves are confidential between the vendor, Glendining's its staff and agents.
 - In the event of a lot remaining unsold at auction, Glendining's shall be empowered, provided the lot remains in their custody and is not withdrawn from sale by vendor:- (i) to offer the lot at a second or subsequent auction in which event no reserve price relevant to any earlier sale shall be relevant to the second or subsequent auction unless specifically advised to the Auctioneer; or (ii) to sell the lot by private treaty in accordance with condition 5 above.
- 18 Indemnity** The vendor indemnifies Glendining's, its agents and employees and the Auctioneer in all respects against any claim whatsoever arising from the sale and storage of any item submitted by the vendor to Glendining's for sale or for any other purpose. Such indemnity shall specifically include indemnity against any claims arising from any breach of any of the warranties given by the vendor under these Terms and Conditions of Sale. Glendining's shall hold any indemnity given for the benefit of its employees and agents under these Terms and Conditions of Sale on trust for those employees and agents.
- 19 Value Added Tax** Vendors selling any asset of their business through Glendining's must disclose to Glendining's at the time the item is submitted for sale whether they are registered for VAT. They must also disclose at that time their VAT registration number and whether the items are to be sold under the special scheme covering Works of Art etc. The vendor warrants that he/she has advised Glendining's as required under the clause and undertakes to inform Glendining's immediately of any change of VAT status or registration number. The vendor acknowledges that no alteration affecting the VAT treatment of the items shall be made after the items have been submitted for sale.
- 20 Disposal** The vendor authorises Glendining's to dispose of any items to the local authority which in Glendining's opinion have no saleable value and the vendor agrees to pay any charges payable on such a disposable.
- 21 Settlement**
- Settlement will only be made by means of a crossed account payee only cheque drawn in sterling on an account at a United Kingdom clearing bank. Any alteration to the payment instructions given by the vendor should be received by Glendining's at least seven days before the normal date of payment to the vendor for the relevant sale. Payment will be made to the vendor about 28 days after the date of the sale provided that the settlement has been received in full from the buyer. If settlement has not been received in full from the buyer by this date then payment will be made to the vendor about 7 days after payment is received.
 - If the buyer has not paid within 28 days of the auction then Glendining's will endeavour to obtain the vendor's instruction as to how to proceed. Notwithstanding the absence of such instruction, the vendor hereby authorises Glendining's at the cost of the vendor to take such reasonable steps as Glendining's in its absolute discretion deems necessary to obtain settlement from the buyer or if necessary to cancel the sale and refund the monies paid on account to the buyer. The vendor authorises Glendining's to agree such terms as Glendining's regards as necessary with the buyer to obtain settlement of the amount due. Glendining's may, at its absolute discretion, apply any amounts received from a buyer towards any balance outstanding from that buyer irrespective of any directions, either express or implied, from the buyer or his agent. If for any reason Glendining's pay to the vendor the net proceeds for the sale of a lot before settlement is received in full from the buyer of that lot then title in that lot shall pass from the vendor to Glendining's.
- 22 Notices** Any notice required to be given to the vendor or buyer under these terms and conditions shall be deemed to have been delivered on the second working day after posting (irrespective of the then location of the addressee) (i) to the vendor at his address shown on the front of this form or (ii) to the buyer at the address given by or on his behalf to Glendining's at the sale (which shall be the address of his/her agent if no other is given) or at his normal place of residence or business.

PREFACE

The “Vigo Bay” Collection has been named after one of the key coins in the small but choice collection of British gold coins now offered for sale – the Queen Anne VIGO Five-Guineas of 1703. By a strange coincidence the sale falls on the 290th anniversary of the battle, and the cover illustration shows the coin laid on a contemporary print of the action. The collection was mostly formed during the early 1970’s, and although the intention had always been to expand it in various areas, it was never to be. That it remains small simply serves to emphasise the quality of the coins contained in it. Around the VIGO Five-Guineas are as good a group of gold coins of the reign of Queen Anne as one is ever likely to find at auction. The Tanner Pattern Five-Guineas of George III is a superb coin design which, because of its rarity, is little known. Pistrucci’s Pattern Five-Pounds and Two-Pounds are better known, though probably because of the use of the St. George reverse, than for the unusual portrait of George III.

When forming the collection the owner had been fascinated with the history of the coins, and we have selected for the colour plates coins with elephants, initials and names denoting the origins of the source of the gold. The coins selected for colour illustration have all been slightly enlarged, so as to emphasise their beauty. Regular, and actual size, black and white illustrations appear throughout the text.

* Very few examples of this coin are believed to have survived, perhaps 15, certainly less than 20. Recent research at the Royal Mint has shown that it was struck from three different obverse dies, of which this is the second type (similar to the Douglas-Morris/Sharps Pixley specimen—the only other specimen to have been offered at public auction in the last 20 years).

The destruction of the combined French and Spanish fleet in Vigo harbour, on the morning of October 12th, 1702, by the Anglo-Dutch fleet under the command of Sir George Rooke, was very much a political victory in the War of the Spanish Succession. The bullion captured was far less than had been hoped, the gold had been off-loaded, and the low number of *vigo* coins that survive today, especially in gold, well demonstrate this. The *vigo* gold coinage was *not* struck for presentation purposes, making this Five-Guineas one of the rarest and most desirable of all the currency coins in the English milled series. The original warrant for the *vigo* coinage is illustrated by courtesy of The Royal Mint and is now housed in the Public Record Office. The wax impression used on the warrant is taken from the obverse die of the *vigo* shilling.

- *18 Five-Guineas, Pre-Union with Scotland, 1705, first bust left, similar, but plain below, *rev.* similar, edge year QVARTO (MCE 198; S. 3560), 41.77gms. *Choice extremely fine (two minor scratches on obverse), pleasant red tone, and very rare.* (£8,000 – 12,000) 1

- *20 Five-Guineas, Post-Union with Scotland, 1709, first bust left, but larger lettering, *rev.* similar, but taller shields and larger lettering and crowns (MCE 201; S. 3567), 41.82gms. *Extremely fine, pleasant red tone, and scarce.* (£4,000 – 5,000) 1

GRATIA, *rev.* the Royal arms in ornate shield, the crown above dividing date, M . B . F . ET . H . REX . F . D . B . ET . L . D . S . R . I . A . T . ET . E ., plain edge, struck without collar (L. & S. 1; S. 3723; Montagu 510 [attributed to Yeo]; Murdoch 118/119; Douglas-Morris 130; BDM VI, p. 14 [1773 illus]; Hocking [1772], lists only the 1777 Yeo Pattern in the Royal Mint collection), 39.56gms. *Brilliant, as struck, and excessively rare.*

Glendining's Subscription Service 1992

Subscriptions to our catalogues cover a full twelve month period from the time that payment is received. Our calendar for this year will include some 15 sales, mostly coin sales, of which four will feature coins of the Ancient World. A further three will feature Historical Medals. Subscribers can either receive ALL coin catalogues, or choose to subscribe to these two specialist areas separately. As always a further four sales will feature Orders, Decorations and Medals, and catalogues for these sales continue to be a separate category.

For the convenience of customers the subscriptions are priced according to differing postal zones, and all overseas catalogues are sent by airmail.

Zone A = U.K., Ireland and Europe; Zone B = Rest of the World

	Type of catalogue	Zone A	Zone B
1.	All coins (including Ancients and Historical Medals)	£60	£80 \$135*
2.	Ancient coins (Greek, Roman, etc.)	£30	£38 \$65*
3.	Historical Medals (including tokens, and numismatic books)	£25	£32 \$55*
4.	Orders, Decorations and Medals	£40	£50 \$85*

* Conversions are for U.S. Dollars.

Catalogue subscriptions are paid by Cash, Cheque or by Credit Card (Mastercard, Visa and American Express). Subscription forms will be sent on request – or if payment is by credit card, telephone orders are accepted.

Bids left by telephone will be accepted only on the condition that they are at the sender's risk, and must in any case be confirmed in writing.

PAYMENT BY OVERSEAS CUSTOMERS

Payment should be made in *Sterling* in the form of cash, cheques drawn on a U.K. clearing bank, or by means of a banker's draft or telegraphic or cable transfer directly into our bank account, quoting the original invoice number. Unless prior arrangements have been made, and payment is made by any other means, then the customer will be liable for any bank or collection charges concerned, and any losses arising from the conversion of foreign currencies into sterling.
